About Us

Surveyaan® is a proud brand of Nibrus Technologies Private Limited, established in year 2020 after a research of around 2 years. Nibrus is an Indian Institute of Management (IIM) Kozhikode incubated startup and funded by Oil and Natural Gas Corporation.

Since October 2020, we have launched two products named Surveyaan & Surveyaan GeoWorkspace and we have got tremendous response from the market. More than 50 plus customers have grown 10x in just an year.

Our services and after sales-support, apart from the products, is a key in helping Small & Medium businesses to adopt to this New-Age technology and our customer base is a testimonial of that.

Our Clients

and 150 + clients counting

Products

Key Specification

Max Weight	Endurance
2 kg	25-30 min
Range	Max Wind
1.5 km	25 kmph
Max Altitude	Category
120 m	Micro
Accuracy & RMSE	
< 5cm (X,Y) < 10 cm (Z)	

Salient Features

Superior Accuracy
More than **5cm** can be achieved with GCP

Fully Autonomous
Operates autonomously on way point missions

Robust Build Quality
Built with highest quality carbon fiber frame, 3000 cycle of mapping operations guaranteed

Class Leading Safety
Equiped with dual processors and sensors along with saftey features like Return Home on Low Battery, High Wind and GPS glitches

Highly Portable
Portable package weighing less than 5kg. Easily carriable by a Single person

Easy to Use
Ready to fly under 5 minutes with just 3 clicks of button.

Ground Control Software Features

- Real time UAV tracking
- Real time UAV parameter monitoring
- Building, area and corridor missions with multiple overlapping options
- Very intuitive and easy to use
- Sensors calibration support
- Supported on Android tab and mobile with regular updates

Payloads

NON PPK PAYLOAD

Megapixel 23 MP
Video 5.3K 60
Sensor Size 1 / 2.3 inch
Weight 180 gm
Connection Bluetooth

PPK PAYLOAD

Megapixel 20 MP
Sensor Size APS-C
Weight 215 gm
Connection Bluetooth / Wifi
GNSS L1&L2 Band
GNSS Update Rate Upto 10 Hz
GNSS Constellations GPS | BIEDOU | SBAS
 GALILEO | GLONASS
 QZS

Accessories

GPS TRACKER

Accuracy

15-20 m

Weight

42 gm

Communication

GPRS (SIM Based)

Battery Backup

2 days on full charge

Tracking App

Surveyaan App

CONTROLLER

Controls

Roll, Pitch, Yaw. Throttle

Screen Size

6.4 Inch touch display

Outputs

Orthomosaic Map

Digital Surface Model

Digital Terrain Model

3D Contours

Spot Levels

Digitized Map

3D Textured Model

3D Point Cloud

Use Cases

Mining and Metal

- Mine topo maps and planning
- Volumetric measurements
- Road management and slope monitoring
- Determine changes before and after blast
- Survey hard to reach and risky area

Construction

- Preconstruction survey and planning
- Volumetric measurements
- 3D Modelling of site
- Progress monitoring and reporting

Solar

- Topographical survey for planning
- Rooftop survey for planning
- Earthwork estimation
- Construction monitoring
- Aerial survey for dust estimation on panels

Irrigation and Agriculture

- Crop pattern survey
- Topographical survey for canal designing
- Farm survey for water supply design

GIS and Land Surveying

- Land surveying and measurement
- Cadastral survey and mapping
- Topographical survey and mapping
- Land management and development

TYPE CERTIFICATION

GOVERNMENT OF INDIA
DIRECTORATE GENERAL OF CIVIL AVIATION
DRONE DIRECTORATE

TYPE CERTIFICATE
No.: T0524000001U

This certificate, issued to **M/s NIBRUS TECHNOLOGIES PRIVATE LIMITED** certifies that the Unmanned Aircraft System

"Surveyaan V1"

*its technical specifications and operating limitations for which are contained in Datasheet No **T0524000001U** dated **30th May, 2024** is of proper design, material, specification, construction and performance for safe operation based on the recommendation of **TQ Cert Services Private Limited** as required by the Certification Scheme for Unmanned Aircraft Systems notified by the Ministry of Civil Aviation vide S.O. 347(E) dated the 26th of January, 2022.*

This Type Certificate is issued under the provision of Rule 8 and Rule 9 (3) of the Drone Rules 2021.

This certificate shall remain valid until suspended or cancelled.

Date: 30th May, 2024
